Giving 3 minutes of chat time before canned waltzes.

Looking for wireless headset for beginner lessons with Weogo's quidance.

Time to sign the lease for the camp.

Insurance: we indemnify camp against all lawsuits. CDSS covers us but only for dance-related injuries. So if someone gets paralyzed on the blob, are we liable? Joe checking into that.

Perhaps we should close off the blob high-dive.

Splashdance committee will discuss.

10.

Finance Committee:

Working on budget. No major changes planned. We should about break even this year.

11.

Nominating Committee

Slate suggested: Able, Pres; Lindsay, Sec; Gretchen Treas; Owen VP. Past Pres Allen

To be voted on

Terms must be staggered, per by-laws so Able only gets 2-year term.

12.

Annual Meeting

Feb 9 is Annual meeting w potluck and dance.

Based on last year, we spend about \$550 on this.

Owen moves to approve the \$550, David seconds, all approve.

Ad hoc committee for Annual meeting: Lindsay, Robyn, Sarah Torrell, Gretchen, Allen. Allen heads committee and cooks the meat.

13.

Members directory

used to be used to find dancer's who provide services, like Plumb Bob. or Allen.

I'm thinking we should have a public place where members who provide services can be listed.

We used to have a printed book of service providers.

Privacy issues: non-OFB members can see members' emails / phones.

Good idea in general - waiting for concrete proposal.

14.	Board retreat:
	March sometime. Executive committee will plan it. at 54 fairview

15. Jan 15h is next meeting at 54 Fairview.
